Modification Details

The purpose of this modification is to update items in Sections B and C and update clauses in Sections E and I of the SeaPort NxG MAC as follows:

Section B - Supplies or Services and Prices

The following NSP CLIN descriptions are hereby updated as follows:

CLINs 4000-4999

Not Separately Priced (NSP) Items at the Task Order level such as,
Contract Data Requirements List - In accordance with DD Form 1423-1; or
Contractor Acquired Property - In accordance with FAR 52.245-1.

CLINs 8000-8999

Not Separately Priced (NSP) Items at the Task Order level such as,
Contract Data Requirements List - In accordance with DD Form 1423-1; or
Contractor Acquired Property - In accordance with FAR 52.245-1.

The following paragraph is hereby updated, deleting the fourth sentence, to read as follows:

CONTRACT MINIMUM

The minimum obligation under any awarded contract is \$500.00 for the life of the contract, including any options. When the minimum guarantee amount of \$500.00 is satisfied through subsequent placement of a competitively awarded task order, the Government has the unilateral right to de-obligate the funding. The contract holder may not invoice for this amount without the written consent of the Contracting Officer.

Section C - Descriptions and Specifications

Sub-Section **C.8.2 - Competitive Ordering Process** - paragraph 2 is hereby updated to reflect "similarly situated entities" in accordance with FAR 52.219-14 (Deviation 2019-O0003)(JAN 2019) as follows:

2. Restricted Competition: During the Fair Opportunity Process the Government may: conduct unrestricted competition; elect to restrict competition for Task Orders totally to Small Businesses, Service Disabled Veteran Owned Small Businesses (SDVOSB), Women-Owned Small Businesses, 8(a) Businesses, or HUBZone Businesses. The Task Order solicitation will notify offerors of the restricted competition decision.

To be eligible as a SDVOSB, WOSB, 8(a) Business, or HUBZone Small Business during the competitive ordering process, the Offeror must have that status at the time of Task Order proposal submission. ***The basis for verification of the applicable socio-economic status is the offeror's System for Award Management (SAM) certification under NAICS 541330 with the \$41.5M exception for marine engineering and naval architecture.***

For Task Order solicitations with competition restricted for Small Businesses, SDVOSB, WOSB, 8(a) Businesses or HUBZone Small Businesses, the Prime Contractor will not pay more than 50 percent of the amount paid by the Government for contract performance to subcontractors that are not similarly situated entities. A similarly

situated entity is defined as one with the same small business program status as the prime contractor that qualifies for the award (See FAR 52.219-14 Dev 2019-O0003).

In accordance with **FAR 16.505(a)(10)**, no protest under FAR Subpart 33.1 is authorized in connection with PCO decisions regarding fair opportunity or the issuance of a TO under this contract, except for a protest on the grounds that a TO increases the scope, period, or maximum value of the contract.

Sub-section **C.10 - One Prime Contract Per Company** - is hereby updated to include the following paragraph:

If a Joint Venture (JV) holds a SeaPort NxG MAC, then any proposal must be submitted as a Joint Venture. If the Joint Venture itself does not hold a SeaPort NxG MAC, then one of the contractors participating in the JV must hold a SeaPort NxG MAC to submit a proposal. In this case, the JV would be considered a subcontractor/affiliate to the prime MAC holder. In accordance with the Affiliates Rule, the contractors participating in the Joint Venture are prohibited from also holding a SeaPort NxG MAC independently.

Section **C.12 - CONTRACTOR SIZE STATUS** – is hereby updated to reflect the NAICs change as follows:

Size status of the MACs shall reflect either Small Business or other than Small Business (Large Business) under NAICS 541330 – with the ***\$41.5M exception for marine engineering and naval architecture***. Contractors will be required to certify at the five-year Option renewal. Representation of SDVOSB, WOSB, 8(a) and HubZone shall be verified for award eligibility in set-asides at the Task Order level.
