Modification Details

Purpose: The purpose of this modification is to incorporate changes to all Seaport e Contracts.

Modification:

1. In Section C, Statement of Work, paragraph 7 is hereby added as follows:

“7. ENTERPRISE-WIDE CONTRACTOR MANPOWER REPORTING APPLICATION(ECMRA)
Reporting requirements of the Enterprise-Wide Contractor Manpower Reporting Application (ECMRA) shall be specified in Section C at the individual Task Order level.”

2. In Section G, DELETE Clause Ddl-G40 entitled “PAYMENT, SELECTED ITEMS OF COST REIMBURSEMENT CONTRACTS” in its entirety.

3. In Section H.5 of the Task Order Process, revise H.5.I.5 Subcontracting Reporting paragraph as follows:

“5. Subcontracting Reporting --

All large business prime contractors shall be required to enter subcontracting data in both the Seaport e portal and the Electronic Subcontracting Reporting System (ESRS). Every six months, the contractor will be provided a link to gain entry to the portal to provide actual subcontract performance information. All reporting will take place at the Task Order level. The reporting in ESRS will take the place of the SF 294 and SF 295. For information on ESRS reporting, please go to <http://www.acq.osd.mil/osbp/sbs/esrs.shtml>.

Small business prime contractors will also be required to enter subcontracting information in the portal every six months. Actual subcontracting information must be entered in order to ensure compliance with the requirement that small business prime contractors perform more than 50% of the effort under a small business set-aside procurement (Reference FAR 52.219-14). Please note that small business prime contractors are NOT required to enter information in ESRS.”

4. In Section H.9 of the Contract Award Term Option Provisions section, revise paragraph (f) as follows:

“(f) Self-Assessment -- Requests for the self-assessment shall be made through the portal. If all required information is not provided, this will result in the award term option NOT being exercised. Failure to return the self-assessment by the due date will result in the award term option NOT being evaluated or exercised. If the information provided on the self-assessment is not accurate, this will also result in the award term option NOT being exercised. For example, one of the criteria to be evaluated is the maintenance of the publicly available web page (see paragraph j below). In the award term plan that provides an explanation of all criteria, the description of the web page criteria includes the provision that copies of all task orders received have been posted on the webpage. If the self-assessment states that the contractor is compliant with this requirement but when checked, the homepage does not have all of the orders included (or has made redactions that have not been approved), the award term option will NOT be exercised.”

5. In Section H.10 of the Savings Clause section, revise paragraph H.10.C. Maximum Fee Rate by replacing the next to last sentence as follows:

DELETE: “The maximum fee rate shall flow down to all subcontractors/consultants included as part of your (the Prime) proposal.”

REPLACE with the following:

“The maximum fee rate being proposed at the task order level by the prime contractor shall flow down to all subcontractors/consultants included as part of your (the Prime) proposal.”

6. The following clauses are added/restated as part of Section I, “Clauses Incorporated by Reference” in all Seaport e Contracts:

52.219-9 -- Small Business Subcontracting Plan (JAN 2011)
52.222-17 – Nondisplacement of Qualified Workers (JAN 2013)
52.222-54 – Employment Eligibility Verification (JUL 2012)
52.244-5 -- Competition in Subcontracting (DEC 1996)
252.215-7007 – Notice of Intent To Resolicit (JUN 2012)
252.227-7038 – Patent Rights-Ownership by the Contractor (Large Business) (JUN 2012)

7. In Section I, FAR Clause 52.216-22, paragraph (d), the fill-in at the end of the paragraph is changed as follows:

FROM: "...180 days following the end of the contract period of performance ."

TO: "...the final period of performance specified in the Task Order."

8. All other terms and conditions remain unchanged and in full force and effect.
